COMMISSION EXPIRES
RESIDING IN SALT LAKE COUNTY

NOTICE OF TENTATIVE APPROVAL NO. M/019/005
BEFORE THE BOARD OF OIL, GAS AND MINING
DEPARTMENT OF NATURAL RESOURCES, STATE OF UTAH
IN THE MATTER OF TENTATIVE APPROVAL OF THE MINING AND RECLAMATION PLAN SUBMITTED BY MOAB SALT, INCORPORATED
GRAND COUNTY, UTAH
THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUCTION,
MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL PERSONS
INTERESTED IN SECTIONS 22, 23, 24, 25, 26, 27, 34, 35, 36,
T26S, R20 E, SECTION 30, T26S, R21 E AND SECTIONS 1, 2, 11, 12,
T27S, R20 E, SLBM, GRAND COUNTY, UTAH.
Notice is hereby given that tentative approval was given by the
Division of Oil, Gas and Mining, on July 11, 1989 to Moab Salt,
Incorporated to continue surface/underground mining operations in:
Grand County, Utah.

The name of the mining operation is Cane Creek Mine, and the
person representing the company is Mr. Eric York.
Moab Salt, Incorporated has fulfilled obligations under the Utah
Mined Land Reclamation Act of 1975 (Section 40-8, UCA, 1953,
as amended) with specific reference to Section 40-8-13 and will
employ the following mining and reclamation techniques on
approximately 1,002 acres of private, state and federal land.
During Operations

Moab Salt Incorporated will continue mining operations at its
Cane Creek solution mine, seven miles southwest of Moab,
Utah. Colorado River water is injected through wells into a pre-
existing underground potash mine. The water dissolves under-
ground salt deposits then is pumped back to the surface for
removal of salts. The salts, potassium chloride and sodium chlor-
ide, are removed from solution in several large evaporation
ponds. The life expectancy of this operation ranges from 50-60
years, at present market demand.

Following Operations
The affected lands within the mine permit boundaries will be
reclaimed, to as near their original condition as practicable,
thus enhancing the scenic value of the region for tourism. The
mine's surface facilities will be removed and regarded, all salt
contaminated areas will be cleaned up and revegetated.
Any persons or agency aggrieved by this tentative decision is
hereby requested to submit written protest within thirty (30) days
of the date of publication to Division of Oil, Gas and Mining, 355
West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah
84180-1203, setting forth factual reasons for his or her complaint,
and thereafter, at a time and place to be established, appear
before the Board of Oil, Gas and Mining to show cause, if any,
why this mine plan should not be approved.
DATED THIS 11th day of July, 1989.
